\$50

HORNET

Leave Your Legacy

Your donation of \$50 will go towards the purchase of a metal, decorative hornet that will be permanently installed on the HHES fence as part of our PWTs' continued efforts to reflect the pride we have in our close-knit Hockinson Elementary families and to personalize our campus.

A portion of your donation will be used to fund additional school beautification projects including, but not limited to, an outdoor seating area outside of the library to memorialize our HHES teacher, Michelle Staley who passed away in 2019.

Hornets will be 13" in diameter and powder coated blue, yellow or white.
